**OFFICE OF PETITIONS**

In re Application of	:	
David FIKSTAD et al.	:	
Application No. 10/764,016	:	DECISION DISMISSING PETITION
Filed: January 23, 2004	:	UNDER 37 CFR 1.78(a)(3)
Attorney Docket No. 23625.CON	:	

This is a decision on the petition under 37 CFR 1.78(a)(3), filed October 3, 2005, to accept an unintentionally delayed claim under 35 U.S.C. §120 for the benefit of prior-filed nonprovisional applications set forth in the concurrently filed amendment.

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after November 29, 2000 and after the expiration of the period specified in 37 CFR 1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

The amendment submitted concurrently with the petition as drafted is unacceptable and, therefore, is not considered a proper reference under 37 CFR 1.78(a)(2)(i). In this regard, the amendment is physically part of the petition and, as such, does not comply with 37 CFR 1.121, 1.52, or 1.4(c). Note that 37 CFR 1.121 states that amendments are made by filing a paper, in compliance with § 1.52, directing that specified amendments be made. The pertinent section of 37 CFR 1.52 states that the claim (in this case, the claim for priority), must commence on a separate physical sheet. 37 CFR 1.4(c) states that each distinct subject must be contained in

Application No. 10/764,016

a separate paper since different matters may be considered by different branches of the United States Patent and Trademark Office.

It is further noted that a petition filed under 37 CFR 1.78(a)(3) to accept an unintentionally delayed claim under 35 U.S.C. §120 for the benefit of prior-filed nonprovisional applications as set forth in the concurrently filed amendment cannot be granted until a grantable petition under 37 CFR 1.78(a)(3) is filed in parent Application No. 10/700,838 establishing the requested chain of continuity.

In view of the above, the petition is **DISMISSED**.

Before the petition can be granted, petitioner must submit a substitute amendment in compliance with the aforementioned rules, along with a renewed petition under 37 CFR 1.78(a)(3).<sup>1</sup>
